

## Our Impact

### **Service footprint**

Service is at the heart of every Kiwanis International club, no matter where in the world it's located. Kiwanis members stage nearly 150,000 service projects, devote more than 6 million hours of service and raise nearly US\$100 million every year for communities, families and projects. Key Club members pitch in 12 million hours of service each year, and CKI members another 500,000 hours of service! Aktion Club members donate another 92,000 hours of service every year. Add it all up, and that's more than 18 million hours of service every year!

### **The Eliminate Project**

Kiwanis is once again joining forces with UNICEF to confront another threat to the world's children. In June 2010, Kiwanis International announced The Eliminate Project: Kiwanis eliminating maternal/neonatal tetanus, which aims to save 129 million mothers and their future babies from the disease by the year 2015.

### **Worldwide Service Project**

Members and clubs contributed more than US\$100 million toward the global elimination of Iodine Deficiency Disorders (IDD), the leading preventable cause of mental retardation. Heralded as one of the most successful health initiatives in the world, today those dollars are at work in more than 103 nations.

### **Kiwanis One Day**

Kiwanis members work in their communities all year long. But for one day in April each year, the entire Kiwanis family of programs—Kiwanis Kids, Builders Club, Key Club, CKI, Aktion Club and Kiwanis clubs—comes together for a day of hands-on community service that is felt around the world. Members build playgrounds, volunteer at local shelters, stock shelves at food pantries and tackle any project to change the world one child and one community at a time.
